- Combined mailing list audiences of **over 4,000** contacts
- **8,400+** LinkedIn followers / **3,000+** Instagram followers
- **3,500+** podcast downloads since launch in Jan 2023
- Spotlighting topics from accessibility and leadership to inclusive book design, AI, accessibility, marketing, author care & more
- Over **80** expert interviews with a range of leading publishing people
- Bringing publishing people together at **The London Book Fair**
- **100s** of publishing & education marketing campaigns executed

# Campus for Teams

**Campus is a community for curious publishing professionals.**

From connecting with publishing industry peers, accessing a growing library of online courses and resources, and joining unmissable events for free, your teams can find the knowledge, inspiration and connections they need to thrive in the publishing world.

Campus members get access to an exclusive library of 30+ publishing courses, 100+ video resources – from recordings of in-person panel discussions to online Q&As – and member perks and discounts, including free online event tickets and discounted tickets to global Book Fairs.

# What does your team get?

**Access to BookMachine Campus for *everyone* on your team, imprint or department.**  
**This gets you:**

- **Free member tickets** to a rolling quarterly events programme
- **Significantly discounted tickets** to Campus Sessions publishing skills workshops
- Access to a self-study learning pathway via a **growing library of video courses**
- **100s of publishing resources** and recordings via our content library
- **Discounts and offers** with industry partners, including The London Book Fair
- Opportunity to **shape the programme**, vote in polls and take part in surveys
- Free, unlimited posting to jobs board (usually £199 +VAT per job)
- The chance to grow their network, improve how they work and develop in their career

## Publishing Events

# Unlock insights with Campus events for publishers

Tap into a quarterly programme of online events on need-to-know topics to boost your knowledge and shake up what you do, as well as occasional in-person meet-ups.

**Free tickets for members, but open to all.**

## Campus Sessions

# Connecting you with ideas to empower your next steps.

Smaller, boutique events connecting you with focused skills, workshopping, networking and more. Live, online or in-person.

**Open to all, discounted for members (50% off).**

Launching April 2024

## Video Courses

Flexible training created by publishing people, for publishing people.

Campus is home to over 30 short, self-study publishing skills courses for busy industry professionals, covering a veritable smorgasbord of topics – from strengthening your author relationships and crafting killer pitches, to mastering marketing campaigns.

**Exclusive for Campus members, and growing steadily.**
